#### 4. Fitting

- a. The Hirer is urged to confirm that his order is in the branch prior to travelling in the unlikely event that there have been unforeseen delays in the delivery of orders.
- b. The Hirer must come for a fitting on the date stated and try on all garments (except shirt) to make sure they fit.
- c. If the fit is not satisfactory please report this to us immediately or not later than 11am on the day following the Fitting Date. We cannot accept any responsibility if you fail to do this.
- d. If garments do not fit satisfactorily or have any other fault further visits to the shop will be necessary. All replacements must be inspected and tried on by the Hirer (or other members of the Hirer's party) at the shop. Goods will be delivered only to the shop of original order for checking and trying on by Hirer or party member.
- e. Failure of the Hirer or party member to request the replacement of any item within the time stated above (see clause 4c) will result in additional carriage charges, payment of which will be the responsibility of the Hirer.
- f. It is the responsibility of the Hirer or party member to meet their own expenses (e.g. travel costs, time off work, etc.) incurred during this fitting and collection process.
- g. As children's size change quite significantly whilst they are growing the Hirer should arrange to re-measure 4 weeks prior to the function to confirm the sizes required. This allows plenty of time to amend the order if necessary. It is not uncommon for children's garments to need several fittings.
- h. If the Hirer has submitted their own sizes to Sort My Wedding Outfit, neither the retailer nor Sort My Wedding Outfit will not be responsible for ill-fitting garments.

## **7. Collection of Garments**

- a. If the Hirer has enabled email messaging by Sort My Wedding Outfit, an email notification will be sent to the Hirer to advise the outfit is ready for collection.
- b. The Hirer should telephone the Host Store prior to travelling to the store in order to check that his order has arrived in case of any unlikely delay due to unforeseen circumstances.
- c. When you have had your fittings and any necessary replacements have also been tried on and found to be satisfactory the outfit is then deemed to be complete.
- d. We stress that the Hire Period is deemed to start from 9am on the Function Date, which is the time we agree to have the suit available, providing the above conditions have been complied with. Please remember that, if travelling, Function Date is deemed to be date of travel.
- e. It is the Hirer's responsibility to inform the shop, when booking, if the outfits are required before the Function Date. The Hirer is responsible for checking that the fact is stated on the order form.
- f. When an outfit is required in advance of the Function Date an extra hire charge of 50% per week or part week is payable.

## **8. Extended Hire – (before or after the function date)**

Hire orders may be extended for additional weeks at a rate of 50% of the normal weekly hire charge for additional week or part week. This includes provision for the delivery of orders earlier than the branch normal delivery date.

## **9. Late Orders**

Late orders are deemed to be orders received within 7 days of the Function Date. These orders may be accepted but will be sent out by an independent carrier and you will incur an additional cost. The Retailer will not accept responsibility for any failure to deliver on time by such third party.

## **10. Return of Garments**

- b. Accidental Damage Waiver is optional.

- c. The waiver does not cover garments which have in our opinion been damaged through inappropriate use.
